Saint Kirstos Semra was born in Shewa Region, Bulga Province, Ethiopia in a specific place called Saint Gaye.

There were two affluent couples in this area; the husband was called Dersani and the wife was called Eleni. Both were generous and God fearing. They gave birth to Kirstos Semra whom they have nurtured teaching her God's laws and norms.

When she reached her puberty stage they got her married off to Semre Giorgis. He was rich and loved Kirstos Semra who was so beautiful. Her Father in law Eyesus Moa used to prophesise that she is a select for a big deal and always used respect her like our Lady.

She had eleven children with her husband; nine men and two women.

The king during her time was Atse Gebremeskel and listening about her amazing ethics and reputation, he used to love and respect her too.

Asking her to remember him in her prayers, King Gebremeskel sent her servants, horse, mule and clothes and shoe made of gold. She did not like all the gifts; she liked the gifts to be sold and given to the needy and the Church.

One day, the head of angles, the Arc Angel Saint Michael appeared in front of her face with three breads. Although she asked her servants to bring her the breads, none were able to see what she saw and asked. The Arc Angel said to her “eat this Kirstos Semra, this was given to you by the generosity of our God”. She ate it and did not eat or drink for three days after that as the Holy Spirit had dwelled on her.

She had one servant who had a very bad manner...one day annoyed and angered by this servant...Saint Kirstos Semara sent flames into the servant’s mouth. Her servant died. Then Saint Kirstos Semara started to cry and seek for forgiveness from God. She prayed God to follow him leaving her wealth and family aside if he reunited the dead woman’s body and soul. Her prayer was listened and the woman that died was resurrected. She believed that she should carry out what she promised to her God. She continued her prayers citing from the Psalms of David and Saint Yared.

She finally joined Debre Libanos Females Monastery. Here, she was blessed and praised by our God.

There was a man called Makebe Egzioo who used to live aside to Tana Lake. This man had denied Jesus Christ and was advised to insert a herb that would protect him from dangers and all hardships of this world. However, one day this man had confessed to Kirstos Semra about

his acts and informed her that he sought for forgiveness from God on her name. Saint Kirstos Semra duly prayed to God to forgive him but Jesus said that the man did deny Him and used a herb for devilish purposes. Similarly, she had prayed for other sinners and gotten them forgiveness from God. She had frequent contact with God. Taken by St. Michael, her soul went to Jesus and there, God promised her that she could save souls from hell. He also promised her that he would not forgive those who do not believe when the miracles of holy people and saints are read.

Assuming that he got her under his control, Satan advised her to stop weakening her body praying inside the lake. She said to him that she finds what he said different from the Bible. She said the bible says those who fast and pray will get their due and you are advising me otherwise. When she said this, he got angry with her. She asked him what defeats him. He said three things win me : When human beings are alive if they receive and hospitalize guests, those who bear sufferings in their patiently, and one who knows that he has come from the ground and goes to the ground and thus treats all with compassion and courtesy wins me.

They told her that she was the only one to be baptised in Jordan River after Jesus Christ. When she asked them to pray for her and that she may be healed from her ailments, they explained her that saints and those that God loves would get sick and that she should rather pray to have the strength to cope with it.

Before they left, they had announced to her that after some time she will be an Administrator of a Monastery called Guangutand those daughters of the clergy, nobilities would surround her. When she heard this, she was frightened and did not desire to be among these people as she felt that devil comes among/with people. They have told her citing an example from the gospel that says, “A village in a mountain cannot live/remain hidden ”. After this, they have ascended to heaven.

Miracle of Saint Kirstos Semra to be prayed in the month of May

May

One day she was praying in Guangut Island about the vanity of this world and the passing of things: - Jesus Christ appeared in front of her and she suddenly fell at his feet. He told her not to be afraid and tell Him her mind. She said to Him ‘Haven’t You crucified for the sake of Adam and his children?’ He said yes. She said ‘then please forgive all those that died since the times of Abel to those who will die at the end of the world. Jesus said to her ‘dear Kirstos Semra, compare the sufferings I endured in the Holy Friday with the sins that Adam and his children committed.’ He detailed and explained to her the sufferings and hardships he had gone through, and asked her if he should forgive those people who sin knowing. He has gone through all this hardships for the sake of them. She made her points saying ‘there is no wood that does not smoke and a human being that does not offend? ’ Thus instead of investigating/challenging them please do forgive them.

Jesus said to her ‘my dear Kirstos Semra do tell me what is in your heart?’

‘If so, my Creator I beseech you, to forgive Devil so that Adam’s children could be saved from sufferings and being cursed. Because you want a sinners return not of his disappearance’, she said.

“I am not asking You to forgive Satan because I love/like him but because I hoped that if he is forgiven there will not be suffering and curse on Adam’s children. As their flesh is Your flesh, as my flesh is your flesh” She said to Jesus.

When she said this, Jesus smiled and said ‘Dear Kirstos Semra, you are asking that what those who were before you or those who will come after you won’t think ’. After this, Jesus called the Archangel Michael and told him that she wants Him to forgive Satan and thus take her to hell so that she would ask Satanel to bring him if he agrees with her. When she was going with the Archangel, she was saying to him, if Satanel makes up or asks for forgiveness then Adam’s children would be saved. When they reached the top of hell, the sufferings she saw were unspeakable; humans were biting each other like dogs. The Archangel told her to call him ‘Devil’ if he seeks forgiveness. She called him in the language of angels ‘Satnael’ three times.

Satnael said, “Who is calling me while I am in the realm of the crowd. I was hunting you for many years but today you have come to my place.”

She said to him “Lord had forgiven you so come out with your people from this place of suffering” When she said this the heart of Devil was burning like a fire. The devil then held her left hand with his left hand and threw her to hell. However, the Archangel hit the Devil with his sword and the doors of hell were opened. At this moment, there was a loud and disturbing noise and scream and souls in hell surround and circled her. At this moment, 10,000 souls were saved/taken out of hell via the Archangel’s wind and the wing that she was given. When she saw this, she was delighted, due to her extreme delight she was jumping among them like a breast-feeding calf, which was jumping at the same time.

Then she went to the Lord Jesus Christ and thanked him for his forgiveness, love and forgiveness. He said to her “did you bring lives winning Devil?” She said yes. He then called the Archangel and told him to take those souls to Saint KitstosSemra’s residence that I readied for her before creation of the world. She said to Him, “Where is my residence, my Lord?” Lord said to her “you place of residence is with my Mother, the Virgin Mary, and your rank will be second to her and all those who love you are respected.”

She was delighted when she heard this. Turning back her head she saw 10 glittering crowns and they all had four stars on each of them; a total of 40 stars. The Archangel told her that they were all for her. He said they were given to her for keeping the 10 words of Old Testament, six words of the Gospel and leaving her wealth, children, and this world and for loving and following the ways of God.
